**The park has a great position in the Tame Valley, close to the canal, River Tame and woodland areas with walks as well as the football pitches.**

**The Town Council will be asking for comments and ideas as part of the Neighbourhood Plan for the whole of Mossley.**

**We will be publishing meetings and how you can take part or just let us have your views, very shortly.**

**Daily.....weekly.....monthly.....rarely or not before.....**

**What are your reasons for visiting the park? There may be several.**

**What do you think of the park and the area outlined above, but also including the canal and river areas? Is there more which could be done? Events, activities, educational projects and support for the environment. The Friends of Egmont Street have done a fantastic job, with their garden. What can you suggest to help them? Are you part of a group which could use the area more?**
